The image shows a web application titled "PASSWORD GENERATOR". At the top, there is a teal padlock icon with a checkmark inside, and below it, a black rectangular box containing four characters: a teal 'x', a black 'x', a teal 'x', and a black 'x'. The title "PASSWORD GENERATOR" is in bold black text. Below the title is the subtitle "Create strong and secure passwords to keep your account safe online." in a smaller black font. The main interface features a text input field containing the password "yahdkyMI2d". To the right of the input field is a teal circular refresh icon. Further right is a teal button with a black clipboard icon and the text "Copy". Below the input field, the word "Medium" is displayed in a yellow font. Underneath this, the text "Password Length: 10" is shown. Below that is a horizontal slider bar with a teal circle at the 10 mark. At the bottom, there are four checkboxes: "Uppercase" (checked), "Lowercase" (checked), "Numbers" (checked), and "Special Characters" (unchecked). Each checked checkbox has a teal checkmark icon to its right.
